Vickie Pasley

Dear Ms. Pasley:

I received your letter acknowledging receipt of the Commission's December 12, 2013, correspondence and requesting additional time to respond to it. As explained in its correspondence, the Commission found reason to believe that you violated 2 U.S.C. §§ 432(c) and 434(b) and Commission regulations by failing to keep records and ensure the accuracy of campaign committee disclosures filed with the Commission. In your letter, you explain that you would like additional time to respond to the Commission's finding because your mailing address changed and delayed your receipt of the Commission's correspondence.

Although requests for extensions of time are not routinely granted, the Office of General Counsel is prepared to accommodate your request and extend the deadline for a response provided that you would consent to tolling of the relevant statute of limitations. I have enclosed a proposed tolling agreement for your review. If the proposed tolling agreement is acceptable, please sign and return it to me, and you will have until no later than January 31, 2014, to respond to the Commission's finding.

You may submit any factual or legal materials that you believe are relevant to the Commission's consideration of this matter. Where appropriate, statements should be submitted under oath. In the absence of additional information, the Commission may find probable cause to believe that a violation has occurred and proceed with conciliation.

If you are interested in pursuing pre-probable cause conciliation, you should so request in writing. See 11 C.F.R. § 111.18(d). Upon receipt of the request, the Office of General Counsel will make recommendations to the Commission either proposing an agreement in settlement of the matter or recommending that the Commission decline to pursue pre-probable cause conciliation. The Office of General Counsel may recommend that pre-probable cause conciliation not be entered into at this time so that it may complete its investigation of the matter.

Further, the Commission will not entertain requests for pre-probable cause conciliation after briefs on probable cause have been mailed to the respondent.

Please note that you have a continuing legal obligation to preserve all documents, records, and materials relating to this matter until such time as you are notified that the Commission has closed its file in this matter. *See* 18 U.S.C. § 1519. Until it is closed, this matter will remain confidential in accordance with 2 U.S.C. §§ 437g(a)(4)(B) and 437g(a)(12)(A) unless you notify the Commission in writing that you wish the matter to be made public.

If you have any questions, please contact me at (202) 694-1650.

Sincerely,

Leonard O. Evans III
